### Positive Mission

Positive is a movement of changemaker businesses making a Net-Positive impact. It combines the strengths of a purpose-driven community sharing tools and insights, alongside a pioneering Michelin 5-star framework that is a symbol for the very highest standards in business. Positive is committed to systemic change and its vision of a Regenerative economy.

### Core Member Membership

Positive offers memberships to Small and Medium Companies (SMEs), Mid-size Companies, and Mission-led companies. By joining the Positive Movement as a company, you encourage your company and the Positive community to grow and be equipped with better tools and opportunities for Positive Impact. As a Corporate member, you commit to the four Positive Commitments and to participate in Positive's community of changemakers.
