Positive Mission

Positive is a movement of changemaker businesses making a Net-Positive impact. It combines the strengths of a purpose-driven community sharing tools and insights, alongside a pioneering Michelin 5-star framework that is a symbol for the very highest standards in business. Positive is committed to systemic change and its vision of a Regenerative economy.

Ambassador Membership

Positive offers memberships to experts, academics, and leaders. By joining the Positive Movement as an ambassador, you will access a unique network of companies and leaders willing to share their knowledge and passion for Positive Impact. You get access to the community, its activities, network, and recognition. As an Ambassador, you commit to share your expertise and contribute to the development of the community, by raising awareness of the movement and the Regenerative economy.
